26<sup>th</sup> March 2020

Dear Business Colleague,

With all the available advice and the position of the construction industry finds itself in during the current COVID-19 outbreak.

We have reluctantly taken the decision that we will close Trell Contractors from Tuesday the 24<sup>th</sup> of March at 4.30pm for all but essential maintenance work until it is safe for the staff to return to work. We made the hard decision to close for the safety of our employees and others around us as we feel we cannot keep to the advice of public health England with regards to social distancing.

With all the hard work and pressure that our emergency services and NHS are under now we don't want to add to the pressure by working unnecessarily.

We will retain a skeleton staff in the office to deal with any inquires over the next few days.

We will keep following the guidelines and updates from the government and will keep all our employees, clients and suppliers up to date on when we can commence work safely again.

We would like to take the time to say thank you to all our employees, clients and suppliers for your understanding at this very difficult time.

We hope you all keep yourselves and family safe and we look forward to working with you again soon.

Shaun and Simon will be available on their mobiles

Shaun: 07770270829

Simon:07770804908

Kind regards

B. S. Mower
